FINAL ORDER

CASE NO. AR-02-94-015

The Complaint regarding Respondent licensee Kenneth L. Butts having come on for hearing before the Idaho State Board of Architectural Examiners on the 3rd day of March, 1995, and the Bureau of Occupational Licenses, having appeared through counsel Nicole M. McKay, Deputy Attorney General, and the Respondent, Kenneth L. Butts, having failed to either appear personally or through counsel, and the members of the Idaho Board of Architectural Examiners having participated in the hearing and having considered the matters asserted by counsel as well as the matters set forth in the complaint and the accompanying file materials, and good cause appearing therefore,

IT IS HEREBY ORDERED AND THIS DOES ORDER, that license AR-1486, previously issued to Respondent Kenneth L. Butts, is hereby placed on PROBATION for a period of two years from the date hereof.

IT IS HEREBY FURTHER ORDERED AND THIS DOES ORDER, as a condition of that two year probationary period, that Respondent is required to seek approval of the Idaho Board of Architectural Examiners prior to agreeing to undertake any architectural practice or assignments on projects within the state of Idaho or involving projects located within the state of Idaho.

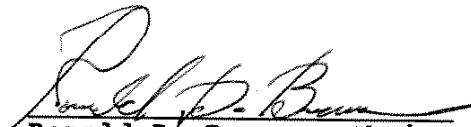

Additionally, in the event that Respondent violates the probationary period by either failing to report intended architectural practices or services within Idaho as set forth

ORDER, page 2.

above, or if Respondent violates any other law or rule relating to the practice of architecture in the state of Idaho, his license will be revoked summarily, without further notice and hearing.

This is a final order in this matter. Any party aggrieved by this Order, whereby Respondent's licence to practice architecture, numbered AR-1496 has been placed on a two year period of probation, may appeal this order by filing a petition in the district court of Ada county within twenty-eight (28) days of the service date of this final order. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

DATED this 27th day of March, 1995.

Ronald D. Bevens, Chairman
Idaho Board of Architectural
Examiners
